

Certified Food Protection Manager Course

Wednesday, August 9, 2017 - Conrad/Pondera Senior Center (311 S. Virginia St.)

Morning check in starts at 7:45 a.m. Class begins promptly at 8:00 AM and
we should finish about 5:00 PM. Lunch will be provided at 12 PM.

Register by July 18, 2017

Class will be taught by Alice Burchak, Toole County Extension Agent

First time attendees need the book&test. This is a different Certified Food Protection Manager course than the ServSafe class - the information will be the same just presented in a different manner and format. For those who are recertifying or retesting you can choose test only.
